2. [] called to say that the suggestions which they had prepared for transmittal to State for State's consideration in responding to a letter from Senator Symington on the status of the situation in Laos have been cleared by [] C/FE. (These suggestions had been approved by John Maury earlier.)

[] also advised of recent conversations between Agency and DOD representatives regarding [] See Memorandum for the Record.

3. [] Bill Woodruff, Senate Appropriations Committee staff, called and said he would like to set up a meeting at the Agency on Thursday, 9 a.m., 22 March, for Jim Calloway, Guy McConnell, and himself. He said he would like to have McConnell and Calloway briefed by [] on the situation in the intelligence community followed by a discussion in some detail on the Agency. If time permits he would suggest that we take them on a tour of the Headquarters building. I have alerted [] and Charles Briggs.

4. [] FE Division, called to alert us to a cable [] from Saigon concerning two Frenchmen who were imprisoned by South Vietnamese authorities and have subsequently been released. According to information in the cable these men are expected to testify before the Senate Foreign Relations Committee. The cable contains information on these men which might be of interest to the Committee.
